THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Dr. Charles W. Cook
Deputy Under Secretary
(Space Systems)
Department of the Air Force
Washington, D. C. 20330

Dear Charlie:

Thank you for your nice note concerning my appointment. I hope to ensure that the difficult work that lies ahead does not cut too deeply into time for tennis.

In the meantime, from a working standpoint, I can assure you and your colleagues that we in the Agency will continue to do all we can in the national interest to be as cooperative and forthcoming as possible in our relationships between your outfit and ours.

Faithfully yours,

E. H. Knoche
